NORTHPARK CENTER • DALLAS

**Greetings! As we approach our 50th anniversary of proudly serving north Texas and beyond, we reflect on what an honor it is to be a part of this exceptional community.**

North Texas boast state-of-the-art medical facilities, world-class education, championship sports teams, an unparalleled commitment to the arts, and an ever-growing number of wonderful parks and green spaces. We are truly privileged to have the good fortune of centering our business – Eiseman Jewels – in this unique and vibrant area of the country.

As a result of the privilege of doing business in our entrepreneurial city, we have enjoyed many successes. Having developed important relationships with our friends, clients, businesses and volunteers, the civic community and charitable organizations, we recognize that with these relationships comes responsibility. Our purpose and goal is to give back, to create jobs, to serve our community through consistent philanthropy, to volunteer, to help those less fortunate, to do everything we can to make Dallas/Fort Worth and the surrounding communities a better place to live.

NorthPark Center is perhaps the best example of combining all that is Dallas. We are proud to call it home. Each time you visit us here, it is our hope that the warm welcome you receive, coupled with the unsurpassed knowledge and expertise for which we have become known, will make your experience with us exceptional in every way.

Thank you.
